

Sopris Elementary School

1st Grade Supply List

2018-2019

Students Experiencing Success

For the 2018-2019 school year, we are asking for \$60 to cover the cost of all the school supplies and field trips. The first grade teachers will purchase all of the usual school supply items in bulk. We will make sure that your child has plenty of school supplies to last the whole year. This ensures that we have the same markers, crayons, pencils, glue, rulers, etc. We have found that some brands of supplies do not last as long, or are not as high quality and we want to get the most for your money. If possible, please send in one box of quart or gallon size baggies and a canister of antibacterial wipes (optional).

In addition, SES is requesting a \$15 School Supply fee for printing and subscriptions to web-based academic programs for school and home use. Please check with your teacher for more information on how to use these programs at home.

You can still add your personal style with your backpacks, water bottles, and lunch boxes. Please label these items clearly with your child's name and teacher.

You may bring your \$75 total payment to the school office in August or once school starts, no later than August 28. Please make checks out to SES or pay online.

Please note:

Student Fees and Lunch payments may be paid online at

If you are interested in paying a fee for a student who might be unable to pay, let us know!

For families experiencing financial hardship, please call the SES office at (970) 384-5400 to discuss fee payment options or scholarship opportunities.

While field trip attendance is highly encouraged, it is not mandatory, and alternative activities will be planned at school for students who do not participate.

An accounting of fees paid to SES is available upon request.
