

Sopris Elementary School

1st Grade Supply List

2017-2018

Students Experiencing Success

For the 2017-2018 school year, we are asking for \$45 to cover the cost of all the school supplies. We are also asking for an additional \$10 to cover the cost of field trips to the pumpkin patch and Hallam Lake. The first grade teachers will purchase all of the usual school supply items in bulk. We will make sure that your child has plenty of school supplies to last the whole year. This ensures that we have the same markers, crayons, pencils, glue, rulers, etc. We have found that some brands of supplies do not last as long, or are not as high quality and we want to get the most for your money. If possible, please send in one box of quart or gallon size baggies and a canister of antibacterial wipes (optional).

In addition, SES is requesting a \$15 Technology fee for printing, software and other technology consumable items.

You can still add your personal style with your backpacks, water bottles, and lunchboxes. Please label these items clearly with your child's name and teacher.

You may bring your \$70 total payment to your child's reading appointment in August or once school starts, no later than August 28. Please make any checks out to SES.

Please note:

If you are interested in paying a fee for a student who might be unable to pay, let us know!

For families experiencing financial hardship, please call the SES office at (970) 384-5400 to discuss fee payment options or scholarship opportunities.

An accounting of fees paid to SES is available upon request.
